

**if you don't want to
go to the vet,
there's always jail!**

You must
provide rabies
vaccinations and
veterinary care for
a sick or injured pet.

It's the law. And the
vet can be expensive.

If you can't afford
it, don't get a pet in
the first place.

Because if you get
one and you don't take
it to the vet, you can be
fined and tossed in jail.
