

BEWARE OF DOG

**if your neglected
dog doesn't get you,
the police will.**

Puppies are adorable.

*Vicious dogs are not. If you
don't train and take care of
your dog it could end up mean.*

If you don't have the money to take

care of a pet, don't get one or you could have problems - legal problems.

And if you don't spay or neuter your dog, you'll have even more.
